

# Start Your Case Today and Pay Over Time

When you choose us, you can ensure that we start working for you today through our exclusive payment option with Fresh Start Funding. Here's how it works:

## 1 Put Us To Work For You

Choosing a pay-over-time plan lets us start building your case with just a few pieces of information

## 2 Work With a Live Person

Once we begin your case, a live representative from Fresh Start Funding will call you to go over your repayment plan

## 3 Build Your Credit

Every payment you make will be reported to two of the nation's largest credit bureaus – and if you need to change your payment plan, Fresh Start Funding is there to help
